RESPONSE PROPOSAL ON IRP SITE 19, UNIT 4, FORMER MARINE CORPS AIR STATION, EL TORO

Dear Mr. Gould:

This letter is in response to your July 22, 2002 proposal on Installation Restoration Program Site 19, Unit 4 Pump Station.

Unit 4 was transferred to your petroleum corrective action program in February 1996. Unit 4 coincides with the area of former Underground Storage Tank (UST) sites 891A, 891B, and 891C. The USTs were removed with oversight by the Orange County Health Care Agency (OCHCA) in April 2000. OCHCA referred oversight of this release to the Regional Board in July 2000. We concur with your proposal to address assessment of Unit 4, a former pump station, with the release from the former USTs, 891A, B, and C.

For any questions on this matter, please call me at (909) 782-4494.

Sincerely,

John Broderick
